

Thank You

Thank you all for making the trip out to PDK to take part in our wedding. We feel honored that you came to celebrate our marriage. Or perhaps you came to check out the craft beer scene. We'll assume you came for us...

Though the ceremony is focused on our union, it couldn't have happened without the wonderful friends and family (that's you) who have made us who we are today.

As we set out on our journey, we know there will be pockets of darkness. May we have the courage to pass through. Let us honor our separateness but know that together our light is a beacon to show us our way.

Where you go I will go, and where you stay I will stay. Your people will be my people and your God my God. Where you die I will die, and there I will be buried.
